Friends of the Library

About the Friends

In 2004 The Friends of the Lomira Public Library was formed. The group's initial purpose was to raise funds for the new library building.

The new building was dedicated in 2011 as the Lomira QuadGraphics Community Library. The Friends organization has now expanded its activities.

Though basic operating expenses for the library are met by portions of the village budget, many aspects of a vibrant public library are dependent on volunteers and private donations.

These needs include capital equipment, supplies, program underwriting and the supportive energy that invigorates our civic culture.

The Friends of the Lomira QuadGraphics Community Library is dedicated to serving Lomira and its surrounding areas in these ways.
