

This group of photos shows the opening of the new Kondex manufacturing plant in 2007. There is a picture of Kondex president, Jim Wessing, giving remarks at the groundbreaking in 2006. A parade took place on September 11, 2007. Employees (associates) walked from the old facility on Pleasant Hill Avenue to the new one on Technology Drive escorted by the Lomira High School Band. The pictures show the walkers on Church Street. These events represent the success and growth of a Lomira business. There is a picture of Congressman Tom Petri speaking at the opening.
