

Service and Equipment Use Policy

The Lomira QuadGraphic Library offers library-owned equipment for in-house use including:

- LCD projector;
- laptop;
- game counsels;
- television with DVD player;
- portable speakers;
- other various technology equipment.

Equipment may be loaned to other organizations who have booked the meeting room or the municipal meeting room for use within the building only, at the discretion of the Library Director. It will be the responsibility of the group or the individual to repair or replace any equipment that is damaged while it is in his/her possession. No library equipment will be allowed to leave the building for patron use.

Library employees who wish to borrow library equipment for work-related purposes must receive prior authorization from the Library Director.
