## FOR IMMEDIATE RELEASE

### **Friends of the Lomira Library Release Documents**

**Lomira, WI, January 19, 2020.** Two key documents have been developed by the Friends of the Lomira Library and posted on its website (<https://www.lomira.lib.wi.us/friends-of-the-library>).

Updated by-laws that reflect the organization's current structure and functionality were voted on and passed at its meeting earlier this month. An annual report for the past year has also been posted showing 85% of 2019 expenditures (\$2,615) went directly to library materials and programing. Nancy More replaced Bonnie Tagliapietra, who stepped down as the group's president, and a preliminary list of projects for the new year was reviewed at the meeting.

Under the direction of the Library Board of Trustees and the Library Director, The Friends of the Lomira Library exists to support library activity and material needs which fall outside tax-payer funded operational expenses. The Friends group is a separate, not-for-profit organization. Membership is free and all are welcome to the next meeting on Thursday, March 5, at 6:30p at the Lomira QuadGraphics Community Library.
